Linked in.

3 people have recommended Kapil

"Kapil is hard working in nature and calm. He is an expert in Networking field especially in UC Video collaboration technologies (like Cisco Telepresence). His attitude of constant learning both professionally and personally is a nice quality of him. He is and will be very good asset to any organization."

— **Ashok Kumar Boinpally**, managed Kapil indirectly at Cisco Systems India

"Kapil is hardworking, dedicated, organized and very professional. It has been a pleasure to work with him. His warm personality and professionalism creates a foundation of trust which enables and establishes relationships with clients and his peers at Cisco. He is full of creativity and knows how to articulate his vision."

— **Ali Mehdi**, worked with Kapil at Cisco Systems India

"Kapil is a very hard and dedicated professional. He is self motivated and enjoys challenges. I have personally seen him grow interms of responsibilities and I wish him all the best."

— **Sanjeev Mehra**, managed Kapil at Exatt Technologies Pvt. Ltd
